BANCO MÁGICO GRINGOTTS™

Situado en el extremo más alejado del Callejón Diagon al entrar por el pasadizo secreto de El Caldero Chorreante, el Banco Mágico Gringotts™ podría no ser el primer edificio mágico que veas. ¡Pero estamos convencidos de que será uno de los más espectaculares! Tras sus torcidas columnas y paredes, el leal personal de duendes del banco custodia las mayores fortunas y los artefactos más poderosos de todas las brujas y los magos de Gran Bretaña. En palabras de Hagrid™, "es el lugar más seguro del mundo para guardar algo que quieres esconder...", después de Hogwarts™, claro".

Aquí es donde Harry Potter™ descubre la fortuna de su familia y a donde Ron, Hermione y él volverán más adelante para colarse en una de sus cámaras, la de Bellatrix Lestrange, a buscar un Horrocrux (aunque comprobarán que este no es en modo alguno un lugar seguro para los intrusos) antes de emprender su temeraria huida en un dragón, dejando el noble y viejo banco destrozado.

LAS CÁMARAS

Las cámaras, construidas en cavernas bajo tierra que llegan hasta una gran profundidad, están protegidas por poderosos encantamientos, guardias y troles, y por un dragón. Para abrir una cámara, su propietario debe pasar primero rigurosos controles de seguridad y ser escoltado por un empleado del banco. Algunas puertas de las cámaras pueden abrirse con llave, pero otras requieren intrincados mecanismos y hechizos.

DISEÑO DEL MODELO

"Este es el set LEGO® Harry Potter™ más alto que hemos lanzado hasta ahora. El proceso de diseño comenzó con una pequeña versión cuya escala en comparación con el modelo final era de 1:8 más o menos, ¡y que hicimos en 5 minutos! Luego, desarrollamos una versión un poco más grande y, por último, un modelo preliminar a tamaño completo.

Naturalmente, queríamos recrear el banco tal y como se ve desde el nivel de la calle; no obstante, como una gran parte de la acción que sucede en el Banco Gringotts™ tiene lugar en las cavernas que hay debajo (donde una compleja red de vías para carros brinda acceso a todas las cámaras), incluimos también esta sección. Estas secciones pueden apilarse una encima de la otra para dar forma a un fragmento del Callejón Diagon increíblemente alto que puede exponerse como un solo modelo, como dos piezas modulares separadas... ¡o como tres, si permites que el dragón Ironbelly Ucrainiano alce el vuelo desde la cúpula!".

George Gilliatt y Justin Ramsden, modelistas de LEGO®

UN RECORRIDO POR EL BANCO (de la mano de sus diseñadores Muggles™)

"Estudiamos detenidamente el set LEGO® Callejón Diagon (75978) y nos aseguramos de que, si los fans quieren combinar los sets, los edificios puedan conectarse e integrarse con naturalidad gracias a pequeños detalles, como los faroles instalados en un lateral del edificio y la inclusión de la Tienda de Animales Mágicos en un edificio adyacente al banco. Las cavernas fueron difíciles de diseñar. El modelo debía ser increíblemente fuerte y estable y, al mismo tiempo, tener un aspecto lo suficientemente desgastado para replicar el peligroso paseo en carro por las cavernas y la Perdición del Ladrón de *Harry Potter y las Reliquias de la Muerte™ Parte 2*. Exploramos distintos enfoques y trabajamos con nuestra asesora de modelos Monika Bukhave Fruergaard para cerciorarnos de que también pudiera soportar el peso del edificio modular que podríamos considerar a pie de calle. Incluimos las tres cámaras que se visitan en las películas: la cámara 713, que contiene la Piedra Filosofal, la cámara de la familia Potter y la cámara de Bellatrix Lestrange, donde se encuentra la copa dorada de Helga Hufflepuff. (Siendo simples Muggles™, no pudimos lanzar una auténtica maldición Gemino sobre la copa, pero bueno..., ¡trata de robarla y verás!").

DISEÑADO CON ESMERO PARA SERES MÁGICOS

"Trabajé en muchas de las minuciosas decoraciones, como las bellas columnas de mármol del interior del vestíbulo del banco, y en las pegatinas, con numerosos secretos y detalles asombrosos que sabemos que encantarán a los fans de LEGO® Harry Potter™. Las partes en las que más me gustó trabajar fueron las elaboradas señales y las pizarras que pueden encontrarse por todo el set. Diseñamos todas las minifiguras de manera que se capturara su personalidad y aspectos característicos para que los fans recreen sus escenas favoritas de Gringotts™. ¡Esperamos que te diviertas descubriendo todos los detalles mágicos del set, tanto los que se construyen con ladrillos como los que forman parte de su decoración! Como dijo Griphook: 'Hay muchas cosas curiosas en las cámaras de Gringotts™'".

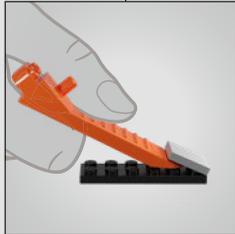

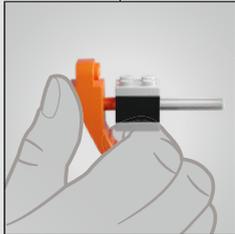

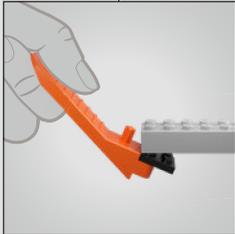

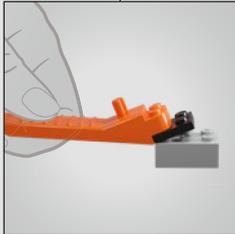

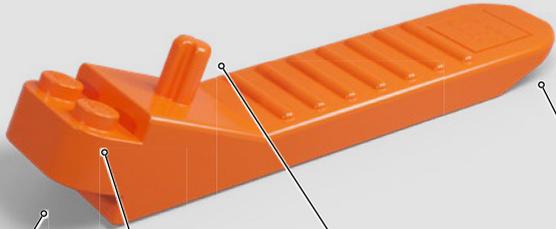

Peter Kjærgaard, diseñador gráfico de LEGO®

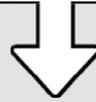

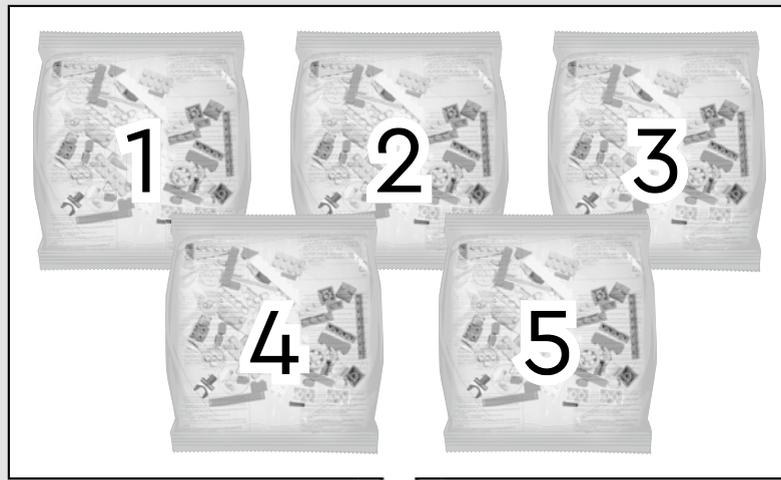

AMPLÍA TU SET CALLEJÓN DIAGON

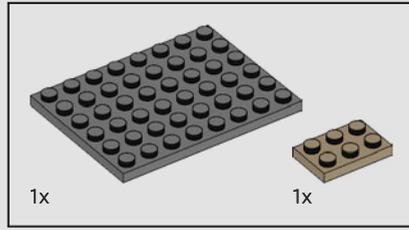

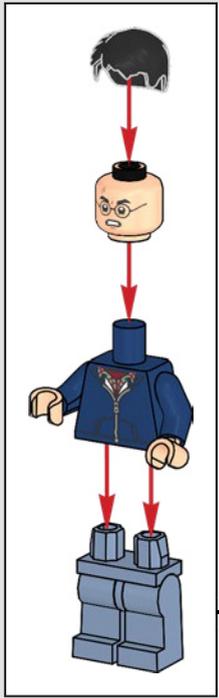

"El Banco Mágico Gringotts™ es posiblemente el edificio más emblemático del Callejón Diagon. Su exclusión del set LEGO® Callejón Diagon (75978) en 2020 no pasó desapercibida, y somos muy conscientes de lo popular que es este edificio entre los fans de LEGO Harry Potter™. El equipo de diseño estaba decidido a hacerle justicia a este lugar tan singular e incluyó no solo el banco con su retorcida fachada, sino también las cámaras y el dragón Ironbelly Ucraniano, lo que permitirá a los fans mostrar diferentes momentos clave de las películas".

Andrew Seenan, jefe creativo de LEGO® Harry Potter™

El Banco Gringotts™ del Mundo Mágico fue fundado en 1474 por un duende llamado Gringott. Se creó en respuesta a la burbuja financiera mágica del siglo XIV, que desgraciadamente estalló debido a la ventisca de jabón de 1378.
