LEGO® Builder

## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

LEGO® Builder

# WHAT IS LEGO® FORTNITE?

LEGO® Fortnite is a survival crafting game, found inside Fortnite!

Explore vast, open worlds where the magic of LEGO building and Fortnite collide. But LEGO Fortnite isn't Battle Royale with minifigures. It's an entirely new experience that combines the best of both worlds, so that anyone who already has Fortnite downloaded can play LEGO Fortnite – alone, or even better, with friends.

Within LEGO Fortnite, you can collect food and resources, craft items, build shelter and battle enemies solo or team up with friends. Get creative in building and customizing your ultimate home base using LEGO elements collected from the world around you, then recruit villagers to gather materials and help survive the night. Gear up and drop into deep caves in search of rare resources and hidden areas.

**FIND IT IN FORTNITE.**

# QU'EST-CE QUE LEGO® FORTNITE ?

LEGO® Fortnite est un jeu d'artisanat de survie qui se trouve à l'intérieur de Fortnite !

Explorez de vastes mondes ouverts où la magie de la construction LEGO et Fortnite se rencontrent. Mais LEGO Fortnite n'est pas qu'un Battle Royale avec des figurines. Il s'agit d'une expérience entièrement nouvelle qui combine le meilleur des deux mondes, de sorte que tous ceux qui ont déjà téléchargé Fortnite peuvent jouer à LEGO Fortnite en solo ou, mieux encore, avec des amis.

Dans LEGO Fortnite, vous pouvez recueillir de la nourriture et des ressources, fabriquer des objets, construire des abris et combattre des ennemis en solo ou en équipe avec des amis. Laissez libre cours à votre créativité en construisant et en personnalisant une superbe base à l'aide d'éléments LEGO trouvés dans le monde qui vous entoure, puis recrutez des villageois pour récolter des matériaux et vous aider à survivre à la nuit. Équipez-vous et descendez dans des grottes profondes à la recherche de ressources rares et de zones cachées.

## RETROUVEZ-LE DANS FORTNITE

LEGO® Fortnite es un juego de supervivencia y creación, ¡que puedes encontrar adentro de Fortnite!

Explora vastos mundos abiertos donde la magia de construir con LEGO se combina con Fortnite. Pero LEGO Fortnite no es Battle Royale con minifiguras. Se trata de una experiencia completamente nueva que combina lo mejor de ambos mundos a fin de que cualquiera que ya tenga Fortnite descargado pueda jugar LEGO Fortnite solo o, mejor aún, con amigos.

En LEGO Fortnite, puedes acumular comida y recursos, fabricar objetos, edificar un refugio y enfrentarte a los enemigos por tu cuenta o haciendo equipo con amigos. Da rienda suelta a tu creatividad construyendo y personalizando una impresionante base con elementos LEGO recolectados del mundo a tu alrededor, y luego apóyate en los aldeanos para que junten materiales y te ayuden a sobrevivir a la noche. Equípate y desciende a cuevas profundas en busca de recursos raros y áreas escondidas.

## ENCUÉNTRALO EN FORTNITE

LEGO® Fortnite

Fortnite Battle Royale

LEGO® Fortnite worlds are 19x the size of the Fortnite Battle Royale Island!

Les mondes de LEGO® Fortnite sont 19 fois plus grands que l'île de Battle Royale de Fortnite !

¡Los mundos de LEGO® Fortnite son 19 veces más grandes que la isla de Battle Royale de Fortnite!

## THE ADVENTURE IS BUILDING

"As the LEGO Group creative lead on the game, it was important to me that we, in our team, made sure we achieved that characteristic LEGO® building feel in the gaming experience. During development, we shipped a huge amount of LEGO sets and bricks to our Epic Games partners, and we played a whole lot of Fortnite® and LEGO Fortnite versions, and shared ideas and inspiration. We wanted the building system to be super easy to use, but also allow for deep creativity. Epic Games suggested two building modes: Survival Mode, where you work with Blueprints, and Sandbox Mode, where only your imagination is the limit. It ended up in a great place, and it will get even better over time. Playing with LEGO bricks and physics in an online multiplayer game is incredibly fun and filled with Learning through Play. We really wanted to imbue the values of the LEGO brand in a subtle way when it comes to interacting with animals, like making friends with them, collecting wool, milk and eggs – oh and poo! Lots of poo! Every day. Every massive LEGO Fortnite world is procedurally generated and unique to each player. I can't wait for fans to see what comes next!"

**RASMUS HARR**  
LEGO® Fortnite Product Leader

## CONSTRUISEZ VOTRE AVENTURE

« En tant que responsable de la création du groupe LEGO sur le jeu, je tenais à ce que notre équipe s'assure de reproduire la sensation caractéristique de la construction LEGO® dans l'expérience de jeu. Pendant le développement, nous avons expédié une énorme quantité d'ensembles et de briques LEGO à nos partenaires d'Epic Games, joué à une foule de versions de Fortnite® et de LEGO Fortnite, et partagé des idées et des sources d'inspiration. Nous voulions que le système de construction soit très simple à utiliser, mais qu'il permette aussi une grande créativité. Epic Games a suggéré deux modes de construction : le mode Survie, où vous travaillez avec des plans, et le mode Bac à sable, où la seule limite est votre imagination. Le résultat est excellent et il s'améliorera encore avec le temps. Jouer avec des briques LEGO et la physique dans un jeu multijoueur en ligne est incroyablement amusant et permet d'apprendre par le jeu. Nous voulions vraiment intégrer les valeurs de la marque LEGO de manière subtile en ce qui concerne l'interaction avec les animaux, comme se lier d'amitié avec eux, ramasser de la laine, du lait et des œufs – oh, et des crottes ! Beaucoup de crottes ! Tous les jours. Chaque immense monde de LEGO Fortnite est généré de manière procédurale et unique pour chaque joueur. J'ai hâte que les amateurs découvrent la suite !

**RASMUS HARR,**  
chef de produit LEGO® Fortnite

## UNA AVENTURA EN CONSTRUCCIÓN

"Como director creativo del videojuego por parte de The LEGO Group, para mí era muy importante que nuestro equipo se asegurara de infundir esa característica sensación de construir con bricks LEGO® en la experiencia de juego. Durante el desarrollo, enviamos una enorme cantidad de sets y bricks LEGO a nuestros socios de Epic Games y jugamos un montón de versiones de Fortnite® y LEGO Fortnite, además de compartir ideas e inspiración. Queríamos que el sistema de construcción fuera muy fácil de usar, pero que también diera un gran espacio a la creatividad. Epic Games sugirió dos modos de construcción: modo Supervivencia, en el que trabajas con planos, y modo Creación libre, en el que tu imaginación es el único límite. El resultado fue fantástico, y mejorará aún más con el tiempo. La combinación de la construcción con bricks LEGO y la física en un juego multijugador en línea es increíblemente divertida y llena de aprendizaje mediante el juego. También nos propusimos impregnar sutilmente de los valores de la marca LEGO las interacciones con los animales, como cuando te haces amigo de ellos y reúnes lana, leche, huevos, ¡y popó! ¡Mucha popó! Todos los días. Cada monumental mundo de LEGO Fortnite que se genera es diferente y único para cada jugador. ¡Estoy impaciente por que los fans vean lo que vendrá después!".

**RASMUS HARR,**

*líder de producto de LEGO® Fortnite*

## A BANANA IS BORN

Peely slides into Fortnite® as part of the Banana Bunch Set, ripe and ready for action.

## UNE BANANE EST NÉE

Banane se glisse dans Fortnite® en tant qu'élément de l'ensemble Bande de la Banane, mûr et prêt à passer à l'action.

## EL NACIMIENTO DE UNA BANANA

Bananín aparece en Fortnite® como parte del conjunto Banda banana, maduro y listo para la acción.

## BANANA MISHAP

Peely narrowly escapes a volcano thanks to an underground bunker with everything needed to survive – exercise equipment, arcade machines, DJ set...everything that is except for food. Peely finds himself happily transformed into a smoothie to help sustain his fellow survivors.

## MANQUE DE PEAU

Banane échappe de justesse à un volcan grâce à un bunker souterrain contenant tout ce qu'il faut pour survivre : équipement d'exercice, machines d'arcade, platine de DJ... tout sauf de la nourriture. Banane se laisse volontiers transformer en smoothie pour nourrir les autres survivants.

## PERCANCE BANÁNICO

Bananín escapa por poco de un volcán gracias a un búnker subterráneo con todo lo necesario para sobrevivir: equipamiento para hacer ejercicio, máquinas de juegos, equipo de DJ... Todo, a excepción de comida. Bananín se encuentra felizmente transformado en un licuado para ayudar a mantener a sus compañeros supervivientes.

# A BANANA IS BORN UNE BANANE EST NÉE EL NACIMIENTO DE UNA BANANA

## PEELY GOES ROBO

In a move to level up his liquid form, Peely now dons a robotic suit earning him the nickname P-1000 – a Peely-powered combat banandroid.

## BANANE SE ROBOTISE

Afin d'améliorer sa forme liquide, Banane revêt désormais une combinaison robotique qui lui vaut le surnom de B-1000 – un banandroïde de combat alimenté par Banane.

## BANANÍN SACA SU LADO ROBÓTICO

Como una mejora de su forma líquida, Bananín se puso un traje robótico que lo ha hecho acreedor al apodo P-1000, más que adecuado para un banánico droide de combate impulsado por Bananín.

## PEELY BONE RISES!

Peely is resurrected to his OG body... minus a few select parts. He's probably going to be fine.

## BANANE PELÉE FAIT SON ENTRÉE !

Banane est ressuscité et retrouve son corps original... à quelques parties près. Il va probablement s'en remettre.

## ¡LA RESURRECCIÓN DE BANANÍN HUESUDO!

Bananín resucita con su cuerpo original..., aunque sin algunas partes por aquí y por allá. Probablemente estará bien.

## MEET LEGO® PEELY BONE

"Peely, in all his versions, is one of the most popular Outfits in Fortnite, and the idea for this model started as a fun gift for one of our LEGO® Games team members who loves Peely Bone. As the first rough sketch model began to mature, we started to see a potential for an actual set. Making an asymmetrical figure that is split down the middle has been a really fun challenge to our usual way of building. We had to figure out the geometry and calculate angles to bring the model alive in an aesthetic and stable pose, and, fun fact, the backpack works as a counterweight to the paint launcher and banana pickaxe to keep the model in balance. All the decorations are printed, except for one – the banana sticker on the back because, you know, it's a banana sticker! Lots of elements have been used for widely different purposes than originally intended, like the white sausages used as ribs, the yellow phone on the foot and the white boomerangs as bones. The rest we'll let you discover on your own. Have fun building!"

**MATHIAS JULIN**  
LEGO® Model Designer

## VOICI BANANE PELÉE LEGO®

« Banane, sous toutes ses formes, est l'une des tenues les plus populaires dans Fortnite, et ce modèle se voulait au départ un cadeau amusant pour l'un des membres de notre équipe LEGO® Games qui adore Banane pelée. Lorsque le premier modèle d'esquisse a commencé à mûrir, nous avons aperçu un potentiel pour un véritable ensemble. La réalisation d'une figurine asymétrique divisée en deux a été un défi très amusant comparé à notre méthode de construction habituelle. Nous avons dû étudier la géométrie et calculer les angles pour donner vie au modèle dans une pose esthétique et stable, et, petite anecdote, le sac à dos sert de contrepoids au lanceur de peinture et à la pioche banane pour maintenir le modèle en équilibre. Toutes les décorations sont imprimées, à l'exception d'une seule : l'autocollant de banane à l'arrière parce que, bien sûr, c'est un autocollant de banane ! De nombreux éléments ont été utilisés à des fins très différentes de celles prévues à l'origine, comme les saucisses blanches qui servent de côtes, le téléphone jaune sur le pied et les boomerangs blancs en guise d'os. Le reste, nous vous laissons le découvrir par vous-même. Bonne construction ! »

**MATHIAS JULIN**  
concepteur de modèles LEGO®

# CONOCE A LEGO® BANANÍN HUESUDO

"Bananín es, en todas sus versiones, uno de los atuendos más populares de Fortnite, y la idea de este modelo comenzó como un divertido regalo para uno de los miembros de nuestro equipo de LEGO® Games a quien le encanta Bananín huesudo. Cuando el primer prototipo empezó a madurar, empezamos a ver su potencial para un set real. Hacer una figura asimétrica dividida por la mitad resultó ser un desafío muy divertido para nuestra forma habitual de construir. Tuvimos que descifrar la geometría y calcular los ángulos para dar vida al modelo en una pose estética y estable. Como dato curioso, la mochila funciona como contrapeso del lanzador de pintura y el pico bananín para mantener el modelo en equilibrio. Todas las decoraciones están impresas, a excepción de una: la calcomanía del plátano de la espalda porque, tú sabes, ¡es una calcomanía de un plátano! Muchos elementos se utilizaron para fines muy distintos de los previstos originalmente, como las salchichas blancas usadas como costillas, el teléfono amarillo del pie y los bumeranes blancos que representan huesos. El resto, dejaremos que lo descubras por tu cuenta. ¡Feliz construcción!"

**MATHIAS JULIN,**  
modelista de LEGO®

Did you know there are currently over 20 versions of Peely in Fortnite?

Saviez-vous qu'il existe actuellement plus de 20 versions de Banane dans Fortnite ?

¿Sabías que actualmente existen más de 20 versiones de Bananín en Fortnite?
